## 4.1 Institutional Vision

Government Degree College Drang at Narla, nestled amidst nature's serenity and surrounded by pine forests and the majestic Dhauladhar range, was established on 26 June 2006. Initially operating from a shelter at Padhar, the present campus, spread over 63.07 bighas, was inaugurated on 24 April 2012. The college offers undergraduate courses in Humanities, Science, and Commerce, and is recognized under the UGC Act, accredited by NAAC in 2019. With modern infrastructure, diverse activities, and a dedicated faculty, the institution is committed to fostering holistic development and academic excellence.

### Vision:

- The motto of the college "सत्यं विद्या सदाचारः" envisions teaching the qualities of truthfulness and good conduct, which has long been the cultural heritage of our nation.
- To be a vibrant and innovative centre for learning, equipping students with value-based education.
- To empower students to translate dreams into reality.

### Mission:

- The emphasis of the college is on the all-round development of students concurring with the instillation of moral and ethical values in them.
- To teach the qualities of leadership, social service, discipline, communal harmony, and cooperation, transforming students into awakened, responsible, and accountable citizens.
- To provide an effective teaching-learning environment that enables students to realize their optimum potential.
- To provide a platform for free and fearless expression of thought and to provide opportunities to the students for self-realization.
- To make education accessible to students of rural areas and to empower them to address the larger issues of life.
- To encourage students to think critically and act responsibly towards the environment.

### 4.1.2 Institutional Development Programme (IDP)

The Institutional Development Programme (IDP) of Government College Drang at Narla aims to strengthen the college's academic standards, infrastructure, faculty development, and student empowerment. The IDP envisions a holistic approach to foster growth and progress over the next 5 years (2024–2029).

### Objectives:

1. Improve the quality of education through curriculum updates, modern teaching methods, and enhanced student support.
2. Provide students with real-world experience to bridge theory and practice.
3. Offer personalized guidance and career support to enhance student well-being and career planning.
4. Enhance teaching and learning with modern technology for interactive and engaging lessons.
5. Foster environmental responsibility and sustainability through campus-wide green practices.
6. Conduction of guest lectures for holistic development of students.

### Action taken:

- Field visits for practical exposure
- Counselling and mentoring services/career guidance
- Projectors and interactive panels
- Cultural, literary and sports activities through clubs and societies
- Green campus initiatives like tree plantations, solar energy use, etc.
- Guest lecture on beekeeping and its role for employment

The Government College Drang at Narla is committed to continuous improvement through this Institutional Development Programme. With collective efforts from faculty, students, alumni, and the community, the college aims to achieve excellence and make a lasting impact on society.
