Problem / Questions

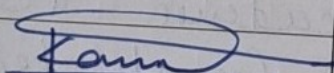

Solution / Answers

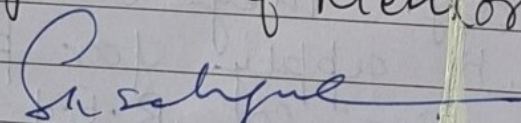

3. How to deal with problems?

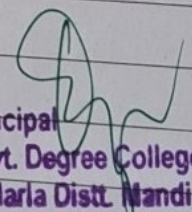

During this session, we offer guidance to students on how to handle any personal or academic problems.

4. Effective use of library -

Students can find textbooks, reference books, and other educational materials readily available for them to study from. Not only this, the importance of library lies in providing a variety of fiction and non-fiction books which broadens students' knowledge and stimulates their curiosity.
